Brief Introduction

The 2017 4th International Conference on Materials Processing and Mechanical Manufacturing Engineering (MPMME 2018) will take place in Xiamen City, Fujian Province, China on April 27-29, 2018. MPMME 2018 is to bring together innovative academics and industrial experts in the field of materials processing and mechanical manufacturing engineering to a common forum. The primary goal of the conference is to promote research and developmental activities in materials processing and mechanical manufacturing engineering and another goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working all around the world. The conference will be held every year to make it an ideal platform for people to share views and experiences in materials processing and mechanical manufacturing engineering and related areas.

Publication

All papers, both invited and contributed, will be reviewed by two or three experts from the committees. After a careful reviewing process, all accepted papers of MPMME 2018 will be published in **《MATEC Web of Conferences》** (ISSN: 2261-236X), it will be submitted to **EI Compendex**、**CPCI-S** and **Elsevier SCOPUS** for indexing.

Committees

Prof. Weimin Yang, Beijing University of Chemical Technology, China
Dr. Xiangying Hou, Northwestern Polytechnical University, China
Dr. Quan Li, Hunan Rongda Vehicle Transmission Co, Ltd, China
Prof. Hongmei Liu, Nantong University, China
Dr. Prita Dewi Basoeki, Atma Jaya Catholic University, Indonesia
Assoc. Prof. Achanai Buasri, Silpakorn University, Thailand
Prof. ALAMUSI, Southwest University of Science and Technology (SWUST),
China
Prof. Wei Gong, Guizhou Normal University, China
Prof. Sheng Zhang, Beijing University of Chemical Technology, China
Prof. Baoqing Deng, Zhuhai College of Jilin University, China
Xianming Meng, China Automotive Technology & Research
Center/Automotive Engineering Research Institute, China
Baiping Xu, Guangdong Industry Polytechnic/ Chemical Engineering
Institute, China
Dr. Congyang Zhang, China Three Gorges University, China
Dr. Zhigang Yang, Shijiazhuang Tiedao University, China
Prof. Tingkai Zhao, Northwestern Polytechnical University, China
Dr. Yuewei Ai, Purdue University, USA
Prof. Yan Hu, Zhengzhou University, China
Prof. Marina Polyakova, Nosov Magnitogorsk state technical university,
the Russian Federation
Dr. Changyun Wei, Hohai University, China
Dr. Bingpu Zhou, University of Macau, China
Dr. Qizhe Fan, Jiangxi University of Science and Technology, China
Dr. Chunxiao Xie, Dongguan university of technology, China
A. Prof. Haoping Peng, Changzhou University, China
Dr. Qingquan Kong, Chengdu University, China
Dr. Yishi Su, Shanghai Jiao Tong University, China
Dr. Yuanfei Han, Shanghai Jiao Tong University, China
Vladimir Alekseevich Sokolov, Saint-Petersburg State Polytechnic University
Jinping Jia, Shanghai Jiaotong University, China
George A. O'Doherty, Northeastern University, USA
Minsheng Huang, East China Normal University
Jingtao Han, University of Science & Technology Beijing, China
